

EasyDesk Enclosure - Compact Enclosed Robot Cell

Combines the proven EasyDesk modular workstation platform with a rigid full-view upper housing. It retains the EasyDesk base footprint, integrated controller cabinet, and configurable work surface, while adding a controlled robot workspace with large transparent panels and direct front access via a full-size hinged door. Available in two variants: Enclosure Alu (aluminium surface for flexible fixturing) and Enclosure Tray (94-position 2mm parts tray for repeatable loading).
