

# EasyEnclosure

Easy solution for automated and laser welding

**EasyRobotics®**  
- we move your parts

# EasyEnclosure

## Metal frame:

- Frame from solid 3mm metal, that provides robust and stable construction.

## Double sliding door:

- Made for easy access even even in confined spaces .

## Proper size:

- **L2400xW3800xH2383mm** - the size of the enclosure is fitting even in a small workshop and suits 90% of modern collaborative robot cells and welding

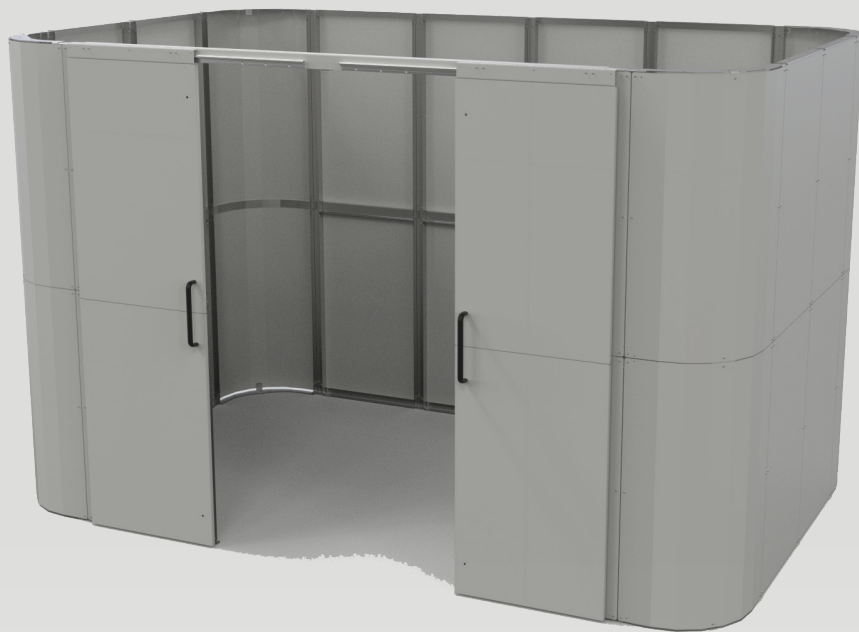

## Available in two colors

- Black (for laser welding).
- Grey (standard color)

## Applications:

There are several applications which make the EasyEnclosure the right choice for the industry;

1. Automated welding
2. Laser welding
3. Diverse laser metal processing
4. Diverse prototyping

#### Product order overview

EE-1001	EasyEnclosure	Hxxxxxxxxxxx
---------	---------------	--------------

Danish manufacturer and supplier of robotic cells for all types of automation.
